

Land Planning for Pinole

Housing, Safety, Health & Environmental Justice Elements

The City of Pinole is updating its General Plan to create a more resilient future. The update will focus on:

Housing

The Housing Element analyzes the City's demographics, economics and housing supply, analyzes housing constraints and resources, evaluates appropriate sites for potential housing, and develops housing goals, objectives, policies, and programs for the next eight years.

Safety

The Safety Element aims to reduce potential short and long-term risk of death, injuries, property damage, and economic and social dislocation resulting from fires, floods, droughts, earthquakes, landslides, climate change, and other hazards.

Health and Environmental Justice

The Health and Environmental Justice Element evaluates areas of the City which face higher environmental, economic, and social challenges. This Element ensures all parts of the City have the same degree of protection from environmental and health hazards and equal access to the decision-making process.

The public review draft of the Housing Element Update will be available starting October 17th, at:

LANDUSEPLANNINGFORPINOLE.COM

Public comments on the draft Housing Element Update will be accepted from October 17th through November 17th via e-mail:
